 - Face-Painting Workshop by Alexis
 - Some volunteering tasks (indoors!)
- Light Refreshments (Baked Potatoes and Fillings, Cake, Coffee, Tea)
 - Networking and Fun

What's behind the idea of a monthly evening gathering?

- To hold the first of what will be a monthly event – an evening dedicated to networking with volunteers
 - To share information about the 2012 events programme and the volunteering needs for them
 - To discover which events volunteers are interested in helping in 2012
 - To discover skills which volunteers can offer the Earth Trust
- To do indoor volunteering tasks 'of the day' (walks & lambing this time)
 - To learn a skill, i.e. face-painting on this occasion, which in turn the volunteers will be able to do for us at our events!
